175 YEARS ANNIVERSARY LIMITED EDITION

X.O.
Reserve

This anniversary edition was produced for the first time in 2013 and was especially created to celebrate *175 years of Albert Heinrich Riise and the opening of his pharmacy on the Island of St. Thomas in the West Indies*. Our master blender really has produced a truly magical blend made from distillates aged in old oak casks as well as PX and Oloroso sherry casks, who successfully have infused the rum with impressions of a dark, sweet sherry.

"A.H. RIISE 175 YEARS ANNIVERSARY" is one of the most popular blends for A.H. Riise Spirits, and is recognized for the perfect balance between the rich and deep taste and the sweet and creamy expression. This is really a blend that is worthy of such a momentous anniversary.
