XO 175 Years Anniversary Reserve

CRAFTED FOR CELEBRATION
- ROOTED IN HISTORY

In 2013, we marked 175 years since Danish pharmacist Albert Heinrich Riise first opened his Apothecary Hall on Saint Thomas in the Danish West Indies. His passion for distillation and love for the raw materials of the Caribbean laid the foundation for what would become the Old St. Croix brand. To honor this historic milestone, our Master Distiller has crafted an extraordinary anniversary blend – one that respects tradition while raising the bar for quality.

Old St. Croix XO Reserve - 175 Years Anniversary is part of our prestigious XO Reserve Collection – a series of extra-aged, double-distilled blends composed with precision to ensure a smooth, balanced experience. This special edition is aged in a unique combination of PX and Oloroso sherry casks, imparting rich, dark depth, layered complexity, and a touch of sweetness. The result is a spirit experience made to elevate any meaningful moment.

Pour a glass. Raise a toast to something remarkable.
