## Rum Cream

### XO RUM, CARAMEL, AND CREAM IN PERFECT HARMONY

*Old St. Croix Rum Cream Caramel* is a luxurious cream liqueur where silky caramel, a touch of sea salt, and rich XO rum from the West Indies and Central America melt together into one smooth, indulgent experience.

This is more than a rum liqueur – it's a warm embrace with depth and elegance, where creamy sophistication meets the bold character of aged rum. The cream comes from free-range Irish cows, while the hint of sea salt balances the caramel's sweetness and highlights the complexity of the matured spirit. Every sip is like a liquid dessert – with a soul that tastes of sun, sea, and craftsmanship. Enjoy it chilled, over ice, in cocktails, or as a decadent finish to a good meal.

**Soft as cream, deep as rum – a true treat for the senses.**
