Rum Cream

ORIGINAL

A SEDUCTIVE CREAM LIQUEUR WITH RUM AT ITS HEART

Rum doesn't always have to be bold and intense. It can also be soft, creamy, and irresistibly indulgent—like a dessert you don't want to share.

Old St. Croix Rum Cream was created for just those moments. Here, aged XO rum from the West Indies and Central America meets the finest cream from free-range Irish cows. The result is a smooth, sweet, and silky liqueur where the warmth of the rum still lingers beneath the creamy surface.

Where traditional whiskey creams often lean dry and spicy, rum cream offers something different: a rounder, sweeter, and more tropical experience. The flavor invites slow sipping—on your own or in great company. This isn't an alternative. It's an experience. Enjoy it chilled over ice, with coffee, as dessert—or in cocktails with creamy character and Caribbean flair.

Let the creamy adventure begin.

TASTING NOTES

<i>Aroma</i>	Citrus notes from the rum paired with mint caramel
<i>Taste</i>	Warm alcohol with a twist of cappuccino, a dash of curled mint and soft, warm caramel
<i>Finish</i>	A slightly insistent mint taste, followed by cream caramel
<i>Color</i>	Cafe latte
