## Family Reserve

A FAMILY BLEND,  
MADE TO BE SHARED

*Old St. Croix Family Reserve* was first created in 2015 for a major Riise family reunion – a private gathering that takes place every five years. Originally reserved only for the descendants of Albert Heinrich Riise, it is now available to anyone who wants to taste history – and become part of it.

This ultra-premium blend is composed of carefully selected casks from respected distilleries in the West Indies and Central America. Bottled in small batches of no more than 2,000 numbered bottles, Family Reserve offers a bold flavor profile with notes of dark spices and a subtle touch of smoke. It's a tribute to heritage, craftsmanship, and connection – and winner of Gold at the International Spirits Award in 2018. Every bottle holds more than just flavor – it holds the story of the ties that bind us.

A beautiful tradition – poured to be passed on.
