XO Port Cask Reserve

THE SWEETNESS OF PORT.
THE STRENGTH OF XO

If you enjoy deep, complex flavors with a hint of fruity elegance, *Old St. Croix XO Reserve - Port Cask* is an excellent choice. This extraordinary blend is matured in oak casks that once held rich port wine. These barrels impart soft notes of red fruit and a silky finish with the signature sweetness of port lingering on the palate.

The XO Reserve series consists of extra-aged, double-distilled blends carefully selected by our Master Distiller to ensure a balanced and consistent flavor experience. The Port Cask edition combines barrels from esteemed distilleries in the Caribbean and Central America—chosen for their depth, heritage, and finesse. The result is an aromatic and elegant flavor journey, where craftsmanship and tradition come together. The casks have done their work. Now it's your turn.

Treat yourself to a touch of XO Port magic.
