A TRIBUTE TO
ALBERT HEINRICH RIISE

This blend pays tribute to Albert Heinrich Riise (1810–1882) – the Danish pharmacist, adventurer and craftsman who transformed the resources of the West Indies into refined spirits. XO Reserve Tribute is inspired by the same passion for discovery and dedication to quality that shaped his life's work: from building a thriving apothecary business, through his scientific contributions in documenting the flora and fauna of the islands, to crafting complex blends that still carry his name under the historic Old St. Croix trademark.

XO Reserve Tribute is crafted from a selection of carefully aged molasses-based spirit matured in casks sourced from renowned distilleries across the West Indies and Central America. The blend marries mature casks with younger spirits to create a full-bodied profile with elegance and structure. A slow fermentation enhances its complexity, followed by traditional distillation to preserve its layered character. This is more than a blend – it is a celebration of the man whose curiosity, courage and craft continue to inspire everything we do.

There are 24,407 bottles of XO Reserve Tribute available.
